## NEW PRODUCT NOTICE

To Our Valued Envoy 500 Customer:

Vital Diagnostics is pleased to announce, as of October 1, 2007, the addition of Hemoglobin A1c assay to the Envoy 500 Chemistry Analyzer test menu. Please contact your distributor to order the new Envoy 500 Hemoglobin A1c reagent, calibrators and controls.

Envoy 500 Hemoglobin A1c (HbA1c) Reagent (Part # 55355), Calibrator (Part # 55118), and Controls (Part # 55135) are for use ONLY on the Envoy 500 Chemistry Analyzer. The new reagent is for the quantitative determination of Hemoglobin A1c in whole blood using the Envoy 500 Chemistry Analyzer. Reagent, Calibrator and Controls must be ordered separately.

<b>ENVOY 500 HEMOGLOBIN A1C</b>	
Product Number	55355
Kit Configuration	2 x 10.4 mL bottles of Hemoglobin HbA1c Reagent R1 2 x 10.4 mL bottles of Hemoglobin HbA1c Reagent R2 2 x 16.1 mL bottles of Total Hemoglobin Reagent 2 x 110 mL bulk bottles of Denaturant 1 x Envoy 500 Hemoglobin A1c Micro-Reagent 1 Boat 1 x Envoy 500 Hemoglobin A1c Micro-Reagent 2 Boat 1 x Envoy 500 Total Hemoglobin Bottle
Tests per kit	100
On-board Stability	10 eight-hour shifts or 80 hours
Calibration Interval	5 eight-hour shifts or 40 hours

<b>ENVOY 500 HEMOGLOBIN A1C CALIBRATOR</b>	
Product Number	55118
HbA1c Calibrator 1	1 x 8 mL
HbA1c Calibrator 2	1 x 2 mL
HbA1c Calibrator 3	1 x 2 mL
HbA1c Calibrator 4	1 x 2 mL
HbA1c Calibrator 5	1 x 2 mL
HbA1c Calibrator 6	1 x 2 mL

<b>ENVOY 500 HEMOGLOBIN A1C CONTROL</b>	
Product Number	55135
HbA1c Control 1	2 x .25 mL
HbA1c Control 2	2 x .25 mL

Please contact your Envoy 500 distributor for pricing and ordering information. If you have any technical questions about the new Envoy 500 Hemoglobin A1c assay, please contact Vital Diagnostics Technical Support at **1-800-345-2822**.

Sincerely,

Vital Diagnostics Marketing
