To Our Valued Customer:

We are pleased to announce that Clinical Data Sales & Service, Inc. (CDSS) has been acquired by Vital Diagnostics Pty Ltd., which is based in Australia. As of June 21, 2007, CDSS will be known as Vital Diagnostics, Inc.

Today marks an exciting new chapter for our company and the relationships we share with our customers. Since its founding in 1993, Vital Diagnostics has been carrying out a customer focused vision of meeting the needs of laboratories through distributing and manufacturing quality products.

As a result of this customer focus, Vital Diagnostics has experienced tremendous growth in the last five years. We share this same vision and with the combined resources and experience of both companies, great new products and services are on the horizon.

What this acquisition will mean for you, our customers, is that together we face a bigger and brighter future. We will continue to provide the high quality products, services and support that you have come to expect. Our focus of providing the best support in the industry will not change.

Thank you again for your continued business. We look forward to an exciting future!

Sincerely,

Executive Management Team
